Branda Lin Aguero, 38, of Orem, Utah, passed away on Sunday, February 23, 2020, after a long battle with Huntington’s Disease.

Branda was born in Payson, Utah on March 26, 1981, to Sara Gordon and Michael Wing. She graduated from Timpanogos High School and continued on to receive her Cosmetology certification from the Bon Losee Hair Academy in Provo, Utah. She loved her work as a hairstylist and enjoyed conversing and building relationships with her clients.

The only thing she loved more was being a mother and wife. She was married to Ron Aguero on June 22, 2002 and they were sealed in the Mount Timpanogos Temple. Together they had two beautiful children, Nicole and Alexander Aguero, who she loved dearly. As an only child, Branda was a mommy’s girl who had a strong connection with her mother.

Branda was an avid conversationalist, who could speak to anyone for hours on end. She was a free spirit, unlike anyone you’d ever know. She lived life to the fullest, never turning down an opportunity to have a great time. She enjoyed scrapbooking, watching movies, anime, and spending time with her family and her dog Charlie. She loved traveling; some of her best memories were made exploring different parts of the world --- from Mexico, to New York, to all over Europe. She could out shop anyone on any day and she would never turn down the chance to enjoy some M&M’s. She had a playful personality that was infectious to all. She loved her Heavenly Father and strongly believed that families are forever.

Branda is survived by her former spouse Ron Aguero and their two children, her father and stepmother, Michael and Dorene Wing, her brothers Kevin and Bryce Wing, her sisters Natalie and Alysha Wing, and other family members and friends.

She is preceded in death by her mother Sara Gordon and her grandmother that helped
raise her, Merla Gordon.
