Colleen was born in Palmyra, Utah on April 24, 1936 to Nolan Greenhalgh and Margaret Ottesen she lived her entire life in Santaquin, Utah in the home she was raised in. Mom was an active member of the Church of Jesus Christ of Latter-day Saints and served in many callings throughout her life. Mom was the Avon lady for many years, worked at the Santaquin pharmacy and retired from the Nebo School District as a Title One Technician. She loved spending time with her family. She loved to sing but her passion was gardening. Throughout her life she was an exceptional cook and homemaker. She did some traveling which she loved. One of her favorite trips was to Alaska. She was always positive, saw the good in others, and was a caring and compassionate person. She looked forward to meeting her friends to celebrate their birthdays and driving up Santaquin Canyon.
