Notice: The applicant must submit copies of the Project Review Plans to be reviewed by the city in accordance with the requirements as outlined in the City Code. Once a set of Project Review Plans are submitted, the plans are subject to a compliance review by the Community Development department and may be returned to the applicant for revision if the plans are found to be inconsistent with the basic requirements of the City Code. All submitted proposals shall be reviewed in accordance with the Santaquin City Code. Submission of Project review plans in no way guarantees placement of the application on any agenda of any City reviewing body. It is strongly advised that all plans be submitted well in advance of all agenda deadlines.

Meetings: City Council meetings are held the 1st and 3rd Wednesday of each month at 6:00 p.m. Development Review Committee (DRC) meetings are held the 2nd and 4th Tuesday of each month at 10 a.m. Planning Commission meetings are held the 2nd and 4th Thursday of each month at 7:00 p.m.

Concept Development Review Submission Requirements

**SUBMISSION REQUIREMENTS:**

- Completed Application Form
- Application Fee
- Electronic PDF files formatted for both 24” x 36” and 11” x 17”
- Symbols legend should be shown on cover and utility sheets (differentiate existing and proposed features)
- All text shall be 1/8” or greater in 24” X 36” format

**PLANS & REQUIREMENTS:** (additional requirements apply to preliminary and final applications)

- If development is to be phased, Phasing Plan, including construction of infrastructure, amenities and landscaping
- Amenity and landscaping package
- Building elevations (proposed or example photos. Actual elevations and materials must be approved by city’s Architectural Review Committee, for all commercial, mixed use or multi-family developments).
- Vicinity map of the development
- Open space and recreation areas
- Zoning classification (existing and proposed)

- Proposed Site Plan, drawn to scale, showing the following:
  - Parcel boundary (show parcel dimensions with bearings and curve data)
  - Building footprint(s)
  - Proposed parking areas with pavement markings
  - Site access (existing and proposed approaches)
  - Street rights-of-way
  - Proposed street improvements
  - Adjacent properties with owner names and addresses
  - Building setbacks
  - Street-side curb, gutter, sidewalk and parking strips, trails
  - Landscape concept plan
  - Trash enclosure area
  - Proposed sign locations, public and private
  - Public utility easements
  - Proposed fencing / Screening
  - ADA Compliance
  - Public travel lanes and/or internal drive aisles
  - Curb, gutter, trails and sidewalks (onsite or private)
  - Proposed storm drain system including on site storm drainage detention (concept level)
  - North arrow and scale bar

- Table with the following:
  - Parcel size in square feet
  - Building(s) area in square feet
  - Parking lot area in square feet
  - Landscaped and open space areas in square feet
  - Total acreage to be dedicated for street rights-of-way
  - Legal Boundary description
  - Density in units per acre
  - Acreage of unbuildable areas and slopes

- Grading Plan with the following:
  - Slope map for properties located in Hillside Overlay areas.
