

Brent Lewis Holman

September 1, 1953 - February 28, 2024

Brent Lewis Holman passed away peacefully on February 28, 2024, at the age of 70. He was born on September 1, 1953, in Payson, Utah, to Lewis Max and Norma Jean Bame Holman, the oldest of four children. After graduating from Payson High School in 1971, Brent attended Utah State University in Logan, Utah from 1971 to 1974, in which he graduated with a degree in Agricultural Machinery. He married the love of his life, Nancy Lee Crook, on January 21, 1977, in the Manti Temple. Together they raised three children and created and shared many happy memories throughout their 47 years of marriage.

In 1977, Brent was hired by Provo City as one of their diesel mechanics and he and Nancy settled and spent the rest of their lives together in Provo where they made numerous lifelong friends. In 1985, Brent was promoted to Fleet Manager for Provo City where he remained until his retirement in 2010, after 33 years. During his time as Fleet Manager, Brent was invited to become a member of Rocky Mountain Fleet Managers Association, where he served in many positions over the years including chapter president and ended his career as a lifetime member.

Brent proudly served and worked with numerous young men over the course of 50 years within the Boy Scouts of America program, helping these young men become Eagle Scouts. He found his happiness in nature and in helping each young man reach their scouting goals.

Brent dedicated his life to serving everyone and serving within the church. He served in many capacities over the years and found joy and fulfillment in each of his callings, but the greatest joy he found was serving in the temple. Brent has served faithfully each week in the Provo Temple for more than twenty-five years and most recently in the newly dedicated Orem Temple. He found no greater joy than being able to serve those on both sides, and especially helping the new missionaries come through the temple each week.

Brent loved the outdoors, especially camping, hiking, and riding in his side by side with his sweetheart and his friends. He and Nancy traveled extensively throughout the US and

internationally throughout the years. They were members of the Utah Trail Riders Club joining countless camping and riding trips exploring the beautiful trails of Utah, Nevada, and Arizona. They enjoyed traveling with friends and their family, making new friends along the way.

Brent was a gentleman, he was always cheerful, friendly, kind, always willing to help, and always one to make us laugh. He will be deeply missed by his family, his friends, and his neighbors.

Brent fought a 17-year battle with liver disease with grace, dignity, and a deep abiding faith in Jesus Christ. Brent spent the last few days of his life at home being surrounded by his wife and children.

The family would like to thank the many caregivers who cared for and treated Brent over the last several years. The family would also like to thank the many doctors, nurses, and other staff of Intermountain Medical Center and most especially to the staff and care team of A Plus Homecare and Hospice for the wonderful care and service they provided to Brent and our family these last few days.

Brent is survived by his wife, Nancy; three children, Brynn (Javier) Martinez, Colin Holman, and Jennifer (Scott) Adams; 8 grandchildren; brother, Doug (Cathi) Holman; sister, Periann (Dan) Isaacson; many wonderful brothers and sisters in-law; and many nieces and nephews. He was preceded in death by his parents, Max and Norma Holman and sister, Carolee Newton.

Graveside services will be held at 11:00 a.m., Tuesday, March 5, 2024 at the Santaquin City Cemetery, 300 South 100 East, Santaquin, Utah. The family will receive friends at the Berg Mortuary of Provo, 185 East Center Street, Monday, March 4, from 6-8:00 p.m. and Tuesday, from 8:30-10:00 a.m. prior to services at the cemetery. Condolences may be expressed at www.bergmortuary.com.
