Library

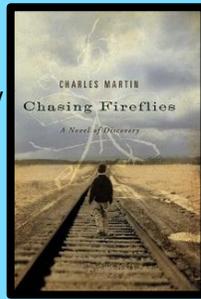

You asked and we listened! Santaquin Library and Payson Library are coming together for a new program starting May 1st. Patrons can check out materials at both libraries with no out-of-town fees involved. Books that are checked out will need to be returned to the library in which they were originally checked out, and fees accrued at one library will need to be paid at that library. Both libraries are excited for this new partnership and feel it will greatly benefit both communities. Contact the library at 801-754-3030 with questions.

ARBOR DAY PLANTING CEREMONY SPONSORED BY ROCKY MOUNTAIN

POWER: Join us on April 27th at Orchard Cove Park, 750 N. 280 W. at 6pm for a tree planting ceremony! Did you know?

- Arbor Day is a day set aside for schools, civic clubs, and other organizations, as well as individuals, to reflect on the importance of trees in our state and across our nation. J. Sterling Morton, the father of Arbor Day, initiated the holiday in Nebraska in 1872. He said, "Other holidays repose upon the past; Arbor Day proposes for the future."
- Every tree planted on Arbor Day helps clean the air and water, beautify neighborhoods, provide homes for wildlife, conserve energy, and prevent soil erosion, among many other benefits. Arbor Day gives everyone an opportunity to learn about trees and the environmental, social, economic and health benefits they provide to communities.
