During America's most divisive war, both the Union and Confederacy took advantage of brave and courageous women willing to adventurously support their causes. These are the bold, untold stories of women shaping our very nation.

Stepping out of line and into battle, these women faced clandestine missions, treason, and death, all because of their passionate commitment to their cause.

Friends & Neighbors,

Summer is finally here. Kim and I want to wish you and your family a wonderful summer. It is an ideal time of year when we can begin planting and making our yards and gardens blossom. What a beautiful part of the world we call home.

It is also the time of year when city projects are fully underway. After such a wet spring, it is nice to enjoy the warmer weather where greater progress can be made on our many projects. From road projects such as the extension of Summit Ridge Parkway, construction of 500 West behind Santaquin Elementary School and the widening of 300 West, to water projects such as the completion of a new Booster Pump Station and construction of a new East Bench Irrigation Tank, many projects are making great progress. The Soccer Field Park by Summit Ridge is also fully under construction along with the development of conceptual plans for a new Recreation/Aquatics Center, which we hope to have on the November, 2019 Ballot. We are also excited to have received the site plans and architectural plans, which are currently under review, for a New Grocery Store on a 32-Acre commercial development along Main Street and I-15. Great things are happening in Santaquin! I am so thankful for our exceptional city council members and city staff that have worked to bring these projects forward. With a good summer and fall, we should have many of them complete.

I am also pleased by the wonderful turnout we have received by interested citizens who have a love and desire to serve on our City Council. The ten candidates are Kody Curis, Jennifer S Bowman, William Morgan, Lynn Mecham, Jordan G Wood, Michael David Weight, Douglas J Rohbock, Denise Prue Rohbock, David Hathaway, and Jessica Tolman whose picture appears on the left. (Names are in the order as they will appear on the ballot as outlined by the Lt. Governor's Office.)
