Santaquin Mask Sewing

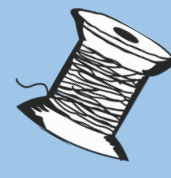

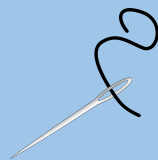

Thank You For Your Service!

Santaquin City Volunteer of the Month

Santaquin Mask Sewing is a group that started on Facebook at the onset of the COVID-19 pandemic. It was formed to bring together sewers, cutters, suppliers, and deliverers to provide local first responders and caregivers with face masks, in the south part of Utah County. The group has been able to construct over 400 masks! The group consists of about 100 women in Santaquin but there were key players in the group that did much of the work. Kathleen Provstgaard saw a need in the area and contacted Rachel Cook who then helped form the group and coordinate the project. Rachel was instrumental in keeping the group going and she also created 3D Masks to donate. There were many others such as Natalie Hughes who spent a lot of time helping figure out the best way to make fabric masks and how to get supplies. When enough people were not sewing, she texted and called individuals. She asked them to sew 5-10 masks each and she got the ball rolling. Another wonderful helper was Andrea Lloyd. She has sewn almost 200 masks alone. Chyann Kindschy

also made many masks and tons of bias tape. She offered to help in any way and kept sewing until there was no longer a need. Bliss Blackburn was there in the beginning and helped get the group going as well. All these women and many more have truly shown what it means to be a volunteer and have blessed the lives of many people in our community. Thank you for sharing your talents with those who have been on the front line of this pandemic.

Youth Sports

YOUTH SPORTS MISSION STATEMENT: The purpose of Santaquin City's Youth Sports Program is to provide quality recreational sport experiences for the community's youth through a positive atmosphere that values sportsmanship, development, and fun for all ages, abilities and interests.

COACHES NEEDED! We want to remind you that we changed the way we do things in our youth sports! We will be finding coaches before registering kids! The more coaches we are able to have; the more kids will be able to play! Our goal will be to provide trainings and additional support to our coaches before the season starts! No previous experience required. *****Youth Wrestling and Youth Volleyball Coach Applications will be available July 13th!**

YOUTH SOCCER: Registrations started June 29th for kids in Preschool (entering kindergarten fall of 2021) through 8th grade. Program will start beginning of Aug. and run through Sept. Look online for more game information. Santaquin Recreation jersey is required if participants don't already have one (\$13). Registration numbers will be limited to number of coaches that qualified, register early!

YOUTH FLAG FOOTBALL: Coaches applications will be accepted starting June 15th! All coaches must be eligible by passing a background check and committed to various trainings, practices and games. Children of those who qualify will play for free! Registration numbers will be limited to number of coaches that qualify, register early! Registration will be starting August 10th for kids in 1st grade through 8th grade.

Adult Sports

ADULT CO-ED SOFTBALL: Registration will be 5/25-7/26, \$350 per team. Program will start the beginning of August and run through September with games on a week night (2-3 games per week) 10 games and tournament. Dear Santaquin Residents and Friends,

It has been wonderful watching residents enjoy our new Grocery Store during the past couple of weeks. Although those who were invited to participate in the ribbon cutting were limited in order to adhere to Covid-19 social distancing guidelines, the event was wonderful and made all of us proud. It was so great to hear from some of the key players and family members of the Seeley's, Macey's and Associated Foods' groups as they addressed our community with warm greetings and congratulations. I hope each of you were able to listen in as the ribbon cutting was broadcast on Facebook Live.

Now that the store is open and I see how well it has been received, it reminds me that we all need to shop local and support all of the many stores in our local economy. We have many wonderful and long-standing businesses in Santaquin that have helped establish our community. If possible, please purchase your fuel at one of our four gas stations and enjoy a meal from one of our nine dining locations. Shop at both of our hardware stores for your home and yard projects and fill your prescriptions locally. And, if you are unaware, we have many home-based businesses that provide everything from dog grooming to home flooring and from auto repair to student tutoring. If you would like to find a specific home-based business located in Santaquin, go to our city business license page on our website at Santaquin.org. We can encourage more essential businesses to come to Santaquin by supporting the businesses we already have.

On a different note, I would like to mention and extend my appreciation to Councilmember Jennifer Bowman who has led out in an effort to reestablish a beautification committee for our city. This committee will be searching out beautifully groomed yards in our community and publicly recognizing them. If you would like to volunteer to be a part of this committee, please contact

Jennifer Bowman at jbowman@santaquin.org.

I invite all of us to help keep our community and homes looking great by pulling unsightly weeds where needed, throwing out garbage that accumulates, and keeping our yards watered and beautiful. Thank You for all you do!

Mayor Kirk F. Hunsaker
