

## RESOLUTION 09-03-2020

### A RESOLUTION AUTHORIZING A PARTIAL (2<sup>ND</sup>) SPENDING PLAN FOR THE USE OF SANTAQUIN CITY'S ALLOCATION OF CARES ACT FUNDING

**WHEREAS**, in March 2020, the US Federal Government signed the Coronavirus, Relief and Economic Security Act, known as the CARES Act, which in part, provided federal relief to local governments to combat the economic effects of the coronavirus pandemic utilizing a method of funding distribution modeled after the Community Development Block Grant (CDBG) program in which some local governments fall subject to the authority of other local governments; and

**WHEREAS**, Santaquin City was allocated \$878,243.62 in CARES Act Funding by Utah County via Resolution 06-06-2020 "A Resolution Adopting an Interlocal Cooperation Agreement with Utah County for Disbursement of Coronavirus Relief Funds" approved on June 30, 2020; and

**WHEREAS**, pursuant to the terms of the CARES Act, federal guidance from the U.S. Treasury Department, as well as state and county regulation, Santaquin City desires to approve a spending plan to meet the public health and safety needs of our community as well as to provide economic stimulus to the local economy; and

**WHEREAS**, it is anticipated that proposed changes to federal legislation may result in a change of law and/or guidance regarding the use of said funds resulting in Santaquin City's desire to approve and authorize spending of said funds in stages;

**NOW THEREFORE**, be it resolved by the Santaquin City Council to approve and authorize a partial (2<sup>nd</sup>) spending plan for the use of Santaquin City's Allocation of CARES Act funding as outlined in the attached schedule;

**ADOPTED AND PASSED** by the City Council of the City of Santaquin, Utah this 1<sup>st</sup> day of September, 2020.

**Santaquin City CARES Act Spending Plan – Phase 2**  
(Phase 1 Approved with Resolution 08-04-2020)

**Yellow Items:**

- **3 Laptop Computers \$4,000** (For check-out for quarantine purposes and continuity of our labor force)
- **100 Candle Stick Cones \$2,500** (These cones are necessary to provide the needed traffic pattern and control the movement of citizens and provide the necessary social distancing to ensure safety of personnel directing traffic)
- **10 Traffic Control A-Frames \$500** (These A-Frames are necessary to provide the needed traffic pattern and control the movement of citizens and provide the necessary social distancing to ensure safety of personnel directing traffic)
- **Retrofit Fire Department Mechanics Room into Decontamination Room for the Washing of FD Turnout Gear with an Extractor \$45,000** (Currently, we do not have a decontamination room for members or items that are contaminated while performing duties as first responders)

**Orange Items:**

- **Fire Department Bay Ventilation System \$30,000** (This system is designed to exchange all the air in the bay area. This helps ensure that any contaminated air is pulled from the workspace and fresh air is pulled into the workspace (e.g. contaminants, exhaust, etc.) This fresh air limits the spread and growth of bacteria and virus.
