Cooperative Agreement Local Agency Performing Work for UDOT	Project Description: Santaquin Main St Improvements Phase 4 Local Agency: Santaquin City	Estimated value of scope of work \$753,000.00
Pin:17058 Job/ Project:S-0006(211)160		Date Executed 05/26/2023

THIS AGREEMENT, made and entered into on the executed date , by and between the **UTAH DEPARTMENT OF TRANSPORTATION**, hereinafter referred to as “**UDOT**”, and Santaquin City, a political subdivision of the State of Utah, hereinafter referred to as the “**Local Agency**.”

UDOT requested that the Work be included in the Local Agency's Project. Subject to the attached provisions, **Local Agency** will include the following items into its Project. Unless the parties agree to a lump sum, upon signing this Agreement, **UDOT** agrees that the costs shown are estimates and that it will be responsible for paying the actual costs associated with these items, based on unit bid prices, and actual quantities placed. If a lump sum payment is specified, **UDOT** will not pay for any additional costs beyond the lump sum payment amount.

Description of Work:

1. UDOT completed a pavement preservation project that covered Santaquin Main St. in the summer of 2022. With information that the Local Agency would be widening a portion of Main St from 300 E to 100 W, the UDOT pavement preservation project skipped this portion of Main St. UDOT is providing funds to this Local Agency project that would have been spent had they performed the overlay work as part of the pavement preservation project. Local Agency will include an equivalent overlay as part of this project.
2. The signal on the NW corner of 200 West needs to be relocated as part of this project. UDOT will provide Local Agency a lump sum to assist with relocating this signal. Local agency will include the signal relocation as part of this project.
3. The intersection of Center St and US-6 in Santaquin, UT is warranted for a signal. UDOT will provide Local Agency a lump sum to be used in constructing a traffic signal at the intersection in lieu of building a procurement signal. Local agency will include the new Center St signal as part of this project.

The failure of either party to insist upon strict compliance of any of the terms and conditions, or failure or delay by either party to exercise any rights or remedies provided in this Agreement, or by law, will not release either party from any obligations arising under this Agreement.
