#### ARTICLE V TRUST FUNDS

5.1. FUNDS PROPERTY OF UNITS OF GOVERNMENTS. All premiums, payments, and funds received, held, or administered by the Trust as herein provided shall be and remain the property and assets of the units of local government which create or participate in the Trust program or programs according to the terms of this Agreement, except that the funds of the Trust shall become the property of the person to whom the funds are paid when paid according to this Agreement, benefit or insurance plans, and programs authorized by the administrative board.

5.2. INTERNAL REVENUE CODE COMPLIANCE. In accordance with Section 115 of the Internal Revenue Code of 1954, as amended, any income derived from the investments or operations of the Trust shall accrue to the units of local government participating

in the Trust. None of the assets, property, funds, or revenues held by the Trust shall ever be deemed to or become the property of the Trust.

5.3. UNRESTRICTED RIGHT TO PROPORTIONATE SHARE OF INCOME. Each unit of local government participating in the Trust shall have the unrestricted right to withdraw its proportionate share (as defined in Section 12.3.) of the income derived from the investments or operations of the Trust. However, to the extent the income so derived is needed to provide reserves for potential claims against programs that the Trust has elected to reinsure or self-insure (under authority of Article VI), participating units of local governments agree to defer the withdrawal of that portion of the income so needed until such time as the administrative board determines using actuarially sound insurance accounting principles that such withdrawal will not jeopardize the financial stability of Trust programs.

5.4. FUNDS TO BE USED TO PURCHASE OR PROVIDE COVERAGE. The local governments hereby authorize and direct the administrative board to do all things necessary and proper and to use the payments or contributions received by the Trust to purchase and maintain in force such policy or policies of insurance as they in their sole discretion shall determine to be in the best interest of the members and the employees of the members; or on an actuarially sound basis, to use such funds to establish a program or programs of self-insurance, reinsurance, or co-insurance.

ARTICLE VI  
MANAGEMENT AND ALLOCATION OF FUNDS,  
PURCHASE OF INSURANCE, BONDS, REINSURANCE, SELF-FUNDING

6.1. LICENSED CARRIER REQUIRED. If casualty insurance or personal insurance policies are purchased, it shall be from a licensed insurance carrier. Policies may be purchased for one or more of the casualty insurance or personal insurance programs offered by the Trust from one or several carriers; or the Trust may reinsure or self-insure one or more of the programs and purchase the casualty insurance or personal insurance from a carrier for the remaining programs. Where the Trust purchases insurance or personal insurance from a carrier, the Trust shall be the policyholder. The amount of casualty insurance, personal insurance, and benefits shall be such as the administrative board may determine subject to securing a policy or policies from one or more carriers or bond companies able to provide the benefits from the premium paid.

6.2. TRUST TO ACT AS POLICYHOLDER. The administrative board may apply for such insurance policies or group insurance or personal insurance or group personal insurance in its name as policyholder or in the names of the participating members and may use the fund to pay for and accept and hold as part of the fund the policy or policies insured to the Trust in its name as policyholder.

6.3. TERMS OF POLICY. The administrative board may agree with an insurer of any policy or policies issued for the purposes of this Agreement on waiting period, definitions of full-time employment and all other necessary or desirable provisions, including the eligibility of

employees; or, in the case of self-insurance, the local government and administrative board may provide specifically such terms and conditions.

6.4. **SEPARATE ACCOUNT REQUIRED.** The Trust Board shall create separate funds and accounts for each of the following:

- A. Hospital, medical, and dental;
- B. Disability;
- C. Life (except where part of the hospital and medical plan) whether or not dental is included;
- D. Fidelity and fiduciary;
- E. Casualty, marine, property, and liability.

The assets of each fund shall not be co-mingled with those of another fund, nor shall it be subject to attachment, claims, or payment of damages in any other fund. Where a participating unit of local government elects to participate in Groups A, B, and C, or any combination of these groups, the Trust may treat the account as participating in the fund for which a majority of the premium is paid. One fund may make loans to another.

6.5. **FUND MANAGEMENT.** With respect to each fund, the administrative board shall use and apply each fund:

6.5.1. **GENERAL ADMINISTRATION.** To pay or provide for the payment of all reasonable and necessary expenses of collecting the local governments' contributions and administering the affairs of each fund, including, but without limitation, all expenses which may be incurred in connection with each fund, the employment of such administrative, legal, expert, and clerical assistance, the leasing of such premises and the purchase or lease of such materials, supplies, and equipment as the administrative board, in its discretion, finds necessary or appropriate in the performance of its duties.

6.5.2. **PAYMENT OF PREMIUMS.** To pay or provide for the payment of premiums due from local governments on the policy or policies, when such premiums shall become due; but the administrative board shall not use the fund to maintain in force any insurance for the account of any local government that is in default of payment of contributions to the fund.

6.5.3. **RESERVES.** To establish and accumulate as part of the fund an adequate reserve which the administrative board shall deem advisable to carry out the purposes of this Agreement.

6.5.4. **REFUNDS.** To refund premiums, payments, or contributions from local governments for which insurance may not be purchased for any reason, but if a unit of local

government withdraws from the Trust for any reason, the Trust shall be under no obligation to refund any premium, payment, or contribution of the local government if insurance has been purchased for the local government.

6.6. GENERAL OPERATING ACCOUNT. The administrative board may establish a general operating account or fund and may transfer to that account or fund a specified percentage of revenues received in each separate fund for the purpose of establishing a general operating fund or account to administer the general provision of the Agreement.

6.7. DEPOSITORIES-INVESTMENTS. All premiums, contributions, and monies received by the Trust hereunder as part of the fund or funds shall be deposited by it in such bank or banks as the administrative board may designate for that purpose, and all withdrawals of monies from such bank or banks shall be made only by check signed by a person or persons authorized by the administrative board to sign and countersign but no bank shall be elected as a depository of the funds of the Trust that is not a member of the Federal Deposit Insurance Corporation or is not supervised and insured by an instrumentality of the United States Government.

6.8. BOND REQUIRED. All officers and employees of the Trust who are authorized to sign or countersign checks or who otherwise may handle monies or other property of the Trust shall be bonded.

6.9. DIVIDENDS, EXPERIENCE RATING. Anything contained in this Agreement to the contrary notwithstanding, the administrative board may agree with the insurer or insurers for the combination of financial experiences, for dividend purposes, of policies issued to the administrative board pursuant to this Agreement and of policies not so issued with insured employees of local governments that are insured under this Agreement. The administrative board may agree with the insurers and to provide for a centralized administration of all policies or may administer the programs themselves in any manner deemed advisable by the administrative board.

#### ARTICLE VII LOCAL GOVERNMENT CONTRIBUTIONS TO THE TRUST

7.1. PERSONAL INSURANCE OR BENEFITS. On application and acceptance by the administrative board or the Executive Director, each local government shall pay to the Trust a sum determined by the administrative board to participate in any personal insurance or self-funded benefit program offered by the Trust. Each local government shall pay to the Trust on such day of each month as determined by the administrative board for all the local governments, such member's contributions for personal insurance when and as the administrative board shall deem necessary to pay the premium due, together with that member's fair share of expenses on account of the personal insurance purchased for such local governments but all local government payments shall be credited against premiums and shares of expenses due from local governments.

7.2. CASUALTY AND LIABILITY INSURANCE. On application and acceptance by the administrative board or the Executive Director, each local government shall pay to the Trust a sum determined by the administrative board to participate in any casualty or liability insurance or self-funded casualty or liability program offered by the Trust. Each local government shall pay to the Trust on such day of each month as determined by the administrative board for the local governments, such member's contributions for insurance when and as the administrative board shall deem necessary to pay the premium due, together with that member's fair share of expenses on account of the insurance purchased for such local governments but all local government payments shall be credited against premiums and shares of expenses due from local governments.

A local government may participate in the casualty or liability insurance program on approval of the application and payment of the premium. The local government need not

execute this Agreement to participate, but must subscribe to the insurance or benefits to be provided pursuant to this Agreement by resolution, ordinance, or contract.

8.3. **TERMINATION OF QUALIFICATIONS.** A local government shall cease to qualify for participation in the Trust for any insurance or benefit plan when it fails to make its contribution as provided in Article VII for the insurance on the date when due or within the ~~period of time allowed by the administrative board for the payment thereof; or if a local~~ government shall cease to qualify under or by reason of any state or federal law; or when the local government fails to comply with the rules and regulations made by the administrative board from time to time with respect to the administration of the insurance Trust fund or funds; including, but without limiting the generality of the foregoing, the method and accuracy of local government's reports, the effective date of insurance of its employees, the discontinuance of insurance of its employees, premiums due, or any and all other facts which the administrative board deems advisable to assure a sound administration of the insurance programs offered by the Trust.

In such event the Trust shall have no further liability to local government or its employees whose participation and insurance have terminated.

**ARTICLE IX

NOT QUALIFYING AS A LOCAL GOVERNMENT AS  
DEFINED IN THIS AGREEMENT**

9.1. Should any monies be received by the Trust for the purpose specified in Article II of this Agreement from any local government failing to satisfy the requirements for participation in the Trust, or from any local government whose employees do not become insured under the policy or policies, such monies shall be returned, and there shall be no further obligations whatsoever in connection therewith.

Up to four members of the administrative board shall be elected officials from participating cities and towns unless the number of participating cities and towns is less than four, in which case the minimum number of elected officials from cities and towns on the administrative board shall be reduced to the number of participating cities and towns. The terms of the municipal administrative board members shall be four years, but the terms shall be staggered so that one position is filled each year. If a municipal member of the administrative board ceases to be an elected official, the remaining municipal members shall appoint a person to serve until the next election. At the next election a municipal elected official shall be elected to fill the remainder of the term.

Notwithstanding the foregoing, the decision of the Trust board as to the distribution of the assets of the Trust within each fund to participating members and former members shall be final and binding unless the distribution is arbitrary, unreasonable, and capricious under the construction given by the administrative board.

ARTICLE XIII

Dear Trust Member:

As you know, the Utah Local Governments Trust is organized as an Interlocal Cooperative Agency under the Utah Code 11-13-101 et seq. Most of you have previously adopted and signed the Interlocal Agreement that creates and governs the Trust. From time to time, it has been necessary to amend the agreement to both update it to conform to current law, and to comply with the requirements of those that regulate the Trust. Last year we sent out the amended agreement, however we did not receive a signed copy or signature page in return. Please return the agreement or the signature page as soon as possible.

The recent change in how the Trust provides workers compensation coverage to participating members has required us to add a new section to the Interlocal Agreement. In addition, the Trust's Board of Directors has recommended that the provisions regarding Board membership be amended to reflect the changes in Trust membership. Enclosed with this letter is the Trust Board's proposed and recommended Amended and Restated Interlocal Cooperative Agreement.

One substantive change from the previous agreement is the addition of paragraph 14.3 of Article XIV. This is a provision specific to the workers compensation coverage that has been required by the State of Utah as a condition of the Trust providing that coverage.

The other substantive change is found in Article X of the agreement which has previously provided that a minimum of four members of the board be elected officials from cities and towns; that three members of the Board be elected officials from counties; and that three members of the board be from special service districts. The Trust now has less counties participating as members than it used to. The new proposed provision removes the requirement of a minimum number of board members from each entity.

We are asking you to formally adopt this new Agreement as soon as possible. Adoption will require you to have an attorney review it as to form and compliance with law. You must also have your governing body approve the resolution authorizing the agreement at an open and public meeting. After it is adopted please keep the original signed copy filed with your official records and send to the Trust a copy of the approved and signed resolution along with a copy of the resolution as adopted (a self-addressed envelope is enclosed for your convenience). The Trust will return to you, for your records, a signed signature page with the Trust's signature.

A model resolution for adoption has been included with this Agreement for your convenience. You may, however, use your own form of resolution if you desire. If you have any questions or concerns regarding the Agreement or the Resolution, please contact our Attorney, David L. Church, at (801)261-3407, or me, Steve Flitton, Executive Director of the Utah Local Governments Trust, at (801)936-6400.

Sincerely,

J. Stephen Flitton  
President / Executive Director
