

RESOLUTION No. 10-03-2005

A RESOLUTION ESTABLISHING THE FEE SCHEDULE FOR SANTAQUIN CITY.

WHEREAS, the governing body of the City of Santaquin, Utah, acknowledges that the fees required of various developers, subdividers, property owners, and citizenry of the city necessitate period review; and

WHEREAS, review of these fees has been found to be warranted in certain areas as they have gone without update or alteration for an extended period of time; and

WHEREAS, the City Council of Santaquin desires to make adjustments where necessary to the Santaquin City Fee Schedule in order to ensure proper and adequate service to the citizens of Santaquin;

NOW THEREFORE, BE IT RESOLVED by the City Council of Santaquin, Utah, that the following fees shall be established for various development projects and services rendered by employees and volunteers of the City, and shall be collected by the City Recorder at the submittal of an application or request for action for which the fee has been designated herein:

⁹ Fees apply to insurance companies, attorneys and the general public.

¹⁰ Only state forms will be copied with requests for accident reports.

B. Furthermore:

1. In addition to the fees listed above, every development within the City boundaries of Santaquin, Utah, shall pay an infrastructure inspection fee according to the following:

a. **Subdivision Infrastructure.** Prior to the construction of any infrastructure which is approved as a part of a subdivision and is located within the boundaries of the same subdivision, the developer shall provide the City with funds, in an amount equal to 4% of the approved construction estimate for the necessary infrastructure improvements, as a means to defray the costs of inspection of said improvements. All such funds shall be non-refundable and paid in addition to any other bonding or surety requirements. Any shortcomings in the amount of the funds shall be paid in full by the developer prior to final approval of the infrastructure.

b. **Off-Site and Other Infrastructure.** Prior to the construction of any infrastructure which is: 1) approved as a part of a subdivision but which is not located within the boundaries of the subdivision; or 2) unrelated to an approved subdivision, the developer shall provide the City with funds, in an amount equal to 2% of the approved construction estimate for the necessary infrastructure improvements, as a means to defray the costs of inspection of said improvements. All such funds shall be non-refundable and paid in addition to any other bonding

or surety requirements. Any shortcomings in the amount of the funds shall be paid in full by the developer prior to final approval of the infrastructure.

2. During the course of the construction of a subdivision, the City may allow up to five (5) partial releases on the surety bond being held as assurance of completion without a fee being assessed for the request for release. Subsequent requests for partial release, after five, will be assessed a \$50.00 fee per request.

3. Payment of fees in full shall be the responsibility of the applicant. Payment of fees in full shall be required as a part of all application submittals, as stipulated herein. It shall be the responsibility of the applicant to submit the necessary materials in order to be eligible for review on an agenda of any City reviewing body. Placement on an agenda is not necessarily automatic and verification of the review of the application by the City is *strongly* encouraged.

C. In addition and notwithstanding the above schedule of fees, should the review and processing fees exceed those identified herein, the applicant shall pay *actual costs* as determined and documented by the City Recorder.

This resolution shall be come effective upon passage and shall repeal and supersede any and all resolutions dealing with the same subject (Resolutions 5-01-2002, 2-02-2002, 6-4-2000, 10-1-96, 8-01-2002, 3-01-2004, 4-01-2004, 2-02-2005 and 7-01-2005).

PASSED this 19 day of Oct, 2005.
