

RESOLUTION NO. 02-01-2005

A RESOLUTION ESTABLISHING REDUCED SIZE BURIAL LOCATIONS.

WHEREAS, the City of Santaquin has a cemetery; and

WHEREAS, the cemetery contains 4'x8' burial locations, and allows for only one burial per location and one headstone per location; and

WHEREAS, infant and cremation burials do not required a 4'x8' location; and

WHEREAS, the City of Santaquin desires to establish an area within the cemetery for 4'x4' or one-half size burial locations for infant burials and an area for 2'x4' or one-quarter size burial locations for cremation burials; and

WHEREAS, the reduced size locations will require headstone regulations:

NOW, THEREFOR BE IT RESOLVED BY THE CITY COUNCIL OF SANTAQUIN CITY, UTAH:

Block K Lots 1, 1A, 2, 27, 27A, 28 and the East Tier of Roadway K Lots 27, 27A and 28 of the Santaquin Cemetery are re-formatted from one (1) 4'x8' burial location into two (2) 4'x4' ore one-half size burial locations for infant burials.

Block J Lots 1, 1A, and 27A of the Santaquin Cemetery are re-formatted from one (1) 4'x8' burial location into four (4) 2'x4' or one-quarter size burial locations for cremation burials.

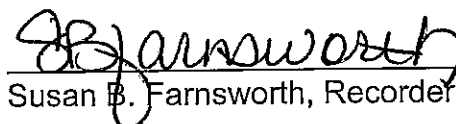

Headstones/monuments/markers on the above named reduced size graves are required to be flat/flush with the ground and may not exceed 10"x20".

Reduced size locations will be subject to all other rules and regulations as set forth by Ordinance and fee schedule.

This resolution shall become effective on the 2 Day of February, 2005 following proper passage by the City Council.

A. Ladue Scovill, Mayor
